

Support Policy

We will provide you with free technical support during business hours. We will only support services and products that you have purchased through us.

If you require after hour's technical support this will attract a fee of \$190 per hour including GST, billable in 30-minute increments, however if the support is required as a result of a failure on our behalf there will be no charge.

For VOIP related services our service is a true SIP service and whilst our service will most likely work with all SIP devices and soft phones we cannot guarantee this or provide technical support for all devices and soft phones.

Currently we provide technical support for:

- Yealink T2X, T4X, W52P, W56P, CP860 IP Phones
- Grandstream HT802, HT704
- Zoiper (Windows, Mac, Linux, Android, iOS)

Please note if you resell our products in anyway then we can only provide support to you our direct customer.
